

ZYAX LIMESCALE REMOVER

Zyax's Limescale Remover is an excellent solution to battle and remove limescale from your appliances and hard surfaces. This mixture works wonders to get rid of tough mineral buildup, rust stains, and other hard water-related discolouration. With a protective layer left over, its potent action keeps fixtures and other hard surfaces spotless and aids in bringing back the natural colour of equipment. In order to further prevent mould, Zyax Limescale Remover also contains natural antibacterial ingredients. It has non-toxic components, making it safe to use around children and ideal for household use.
